Our club donated to Haiti A ShelterBox to house up to ten people in a tent with cooking utensils, sleeping bags, clean water filtration, and coloring books for the kids. Guest Speakers with President Don are Rotarians Pete Griffith and Tim McCully.

One of our newest members Patty Davis has won the Joker. She won \$101.00, Congratulations! She seems to be always drawing the winning ticket.

Our Mayor and Rotarian Lori Holt Pfeiler pictured along with Jack and Jill Campbell will be Honored at the Coeur de Cuisine Sunday night the 28th of February at the California Center of Arts. The Escondido Rotary Club is hosting the event for the accomplishments these three have done for our community. Sign up quick on the Escondido website if you would like to attend. All proceeds go right back into our community.

Here is Neal with Rotarian Ralph. We all got to see Neal's photos of Ralph enjoying the good life around Neal's home, quite the Painter.

Thank you everyone for bringing in cans of tuna for Angels Depot.
